MEMORANDUM FOR: Chief, Cartography Division, OBGI

SUBJECT: Release of [REDACTED]

25X1A

25X1A

1. My understanding of this proposal is that it would eliminate the problem of manpower to answer inquiries. Requesters would be referred to [REDACTED]. Is this correct?

25X1A

2. With support from other concerned offices in the Agency, I see no problem if [REDACTED] is the first Agency contribution. We must, however, be in full agreement that we want to submit it.

3. Without your full approval, we are not inclined to go ahead with the proposal.
